

Dudley Educational Psychology Service

Working as One Council in
the historic capital of the Black Country

Dudley Educational
Psychology Service

Dudley's Educational Psychology Service (DEPS) is committed to the use of applied psychology in a range of settings, in order to optimise and maximise the learning, development and well-being of children and young people in Dudley

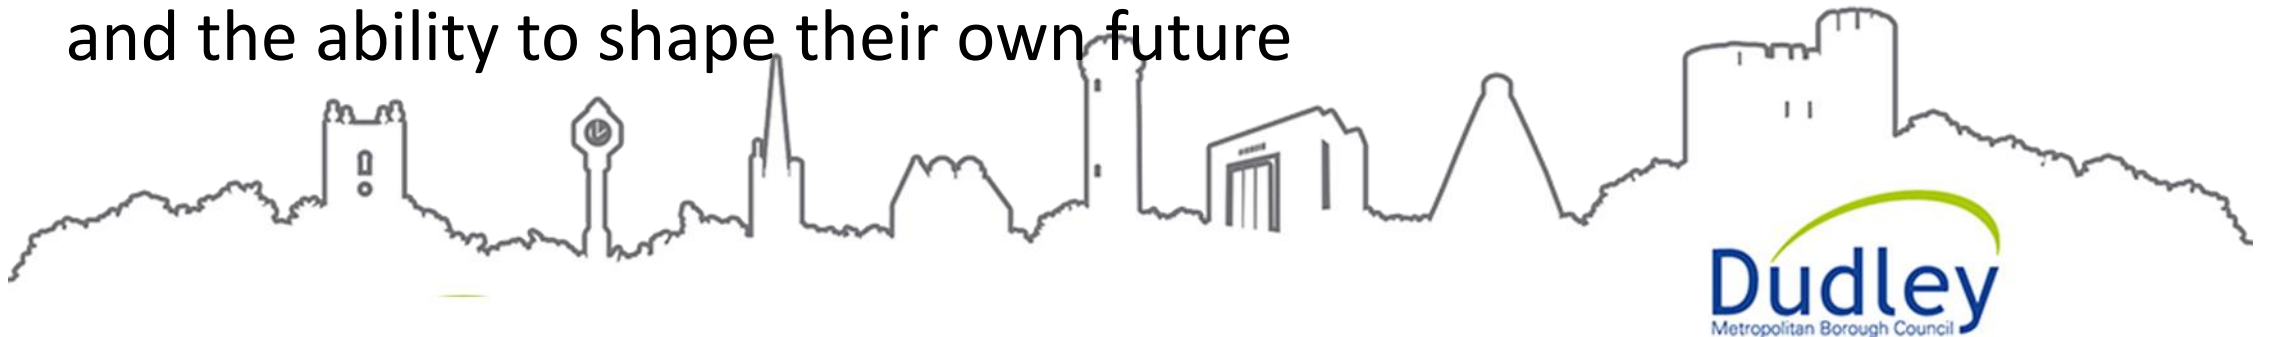

Dudley LA values and behaviours

We pride ourselves on...

- Accountability, Determination, Empowerment and Respect, Excellence, Simplicity and Working Together

And being...

- A place where everybody has the education and skills they need, and where outstanding local schools, colleges and universities secure excellent results for their learners
- A place of healthy, resilient, safe communities with high aspirations and the ability to shape their own future

The work we can offer:

- Consultation – YP, parents & staff
- Classroom observation
- Cognitive, curriculum, behavioural & Dynamic Assessment
- Individual work with children
- Therapeutic Psychological Intervention
- Coaching & Supervision for staff
- Strategic work
- Research projects

What you can expect

- Staff: All of DEPS staff are qualified EPs; trainees are working towards full doctoral accreditation
- Reports: Reports on a CYP will be completed at a maximum of 6 weeks. Most reports will be completed sooner, for example EPVRs are typically completed within a week.
- Evidence based recommendations & advice
- All work completed by Dudley EPS will follow the ethical principles.

Packages and Costs

- The minimum purchase for DEPS support is 15 hours
- Further hours can be purchased in addition to this, to allow for a bespoke package to meet individual schools' needs
- All purchases of Dudley EPS support take place through Revolutions
- Please see the 'Dudley EPS offer' on Revolutions for further details, or call 01384 814359 and ask for Tara or Dawn
