## PROGRAMME UPDATE

### SECTION 7. Ofsted Written Statement of Action (WSOA)

On the 16 July 2019 Ofsted and the Care Quality Commission published their Joint Area Inspection Report on the borough's SEND offer and services.

Following on from this inspection we were required to submit a Written Statement of Action (WSOA) or action plan outlining how we are going to improve our offer across the board over the next 18 months.

Our Written Statement of Action has been designed around the fourteen areas of concern raised by the inspectors and was co-produced with our partners including the council, Dudley Parent Carer Forum, Dudley Clinical Commissioning Group and Youth Justice.

As we await feedback and sign off from Ofsted, we continue to press ahead with developing our improvement programme.

As previously mentioned, as soon as feedback is received from Ofsted we will share the document.
