PROGRAMME UPDATE

SECTION 5

SEND Improvement Programme

We have now set up a programme office dedicated to delivering SEND improvement.

We have also set up a dedicated SEND Improvement Programme area on our Health and Wellbeing Board website www.dudleyhealthandwellbeing.org.uk/sendimprovement

The SEND Implementation Group met last week and was well attended from right across the partnership including members from Health, Parent Carer Forum and the Council. It will continue to meet fortnightly and one of the first actions was to agree the appropriate membership and terms of reference.
